Dear Service Club Member:

Thank you for considering the Harrison's Hope Service Club Program as a project for your service club.

Public awareness is essential to eliminate the preventable death and injuries to children when left alone in and around motor vehicles. Please know that your involvement with Harrison's Hope will protect our young children and save lives.

Below are 6 easy steps we require to complete the Harrison's Hope Service Club Program. Upon completion, your club will receive an official 2008 Harrison's Hope Service Club Project banner patch.

1. Visit five or more day care centers to distribute the Harrison's Hope bifold brochure to every enrolled child and encourage the posting of Harrison's Hope posters in high-traffic areas.
2. Visit three or more insurance sales offices and pediatrician offices to distribute Harrison's Hope brochure holders filled with two-sided information cards and posters.
3. Visit ten or more local businesses (e.g. convenience stores, drycleaners, banks etc.) to post the Harrison's Hope window cling on the front window.
4. Contact one or more local radio or television station to get them to air the Harrison's Hope public service announcement (PSA) OR contact one or more local newspaper to get the Harrison's Hope "Pointers for Parents" article published. Please send all coverage to Harrison's Hope for our archive.
5. Approach one or more local elementary school OR one or more high school and arrange for them to show our Harrison's Hope Presentation from the Harrison's Hope Interactive CD.
6. Become a Harrison's Hope Platinum (\$1000), Gold (\$500), Silver (\$250) or Bronze-Level (\$100) Sponsor. Your contribution allows us to continue our life saving work.

If your club is interested, please visit our website, www.harrisonshope.org, and click on "Service Clubs" button for more information. Please do not hesitate to contact me if you have any questions. Together we can make a difference to keep our children safe.

Sincerely,

Terrill Struttman
President
